HERO / 柯伦

A shark is approaching the sea surface and then leaves traces with its fin and dives again, leaving the inspiration trigger to the designer for Hero chairs.

静谧深海，
一条鲨，
一个鳍，
当它映入设计师的眼帘，
就是一个漫游的灵感，一个作品的起始。

柯伦深谙仿生设计之道，
将鲨鱼锐不可当的气场与外形，融入座椅之中。
金属鲨鱼鳍元素，塑造柯伦极具辨识度的面孔，传达出使用者内在的进取特质；
配合大块面塑料背板，以及大切面转角金属扶手，
让柯伦现代感十足。

Hero chairs adopted bionics design with the armrest featured by a shark fin, which integrates the power and tension of sharks with the progressive characteristics of its users. The large plastic back panel and metal arm rest make the chair modern and stylish.

Each chair has a soul.

每一把座椅，都有一个专属的灵魂。

Duple smoothness

金属扶手之上，一层温润皮垫，将金属的生硬与冰冷完美消解。
手部与扶手之间任何状态的自然接触，感受到的都只有柔软和熨帖。

A smooth leather upholstery is attached on the armrest to eliminate the coldness and stiffness of pure metal. Let it be any angle, only softness and harmony of material can be felt by user's hands.

"CHAIR" YOU UP

“椅”你为主

座椅的调节，绝非单纯的数据显现，而是包含椅对人适应性的思考。柯伦将倾仰、腰托、坐高、坐深调节集于一身，只让你的座椅，真正以你为主；让每个姿势，都享有专属体验。

Chair adjustment is a science of ergonomics and humanization. Tilt angle, lumbar support, base height, and seat depth adjustment had been thoroughly considered in Hero chair design. Essentially, the chair should unreservedly serve the human body and each of its postures.

柯伦坐深、坐宽的大尺寸, 成就更大的容坐空间,
配合坐深的 58mm 调节行程, 任何体型都能舒展而坐,
身体无拘束, 想法才能走更远。

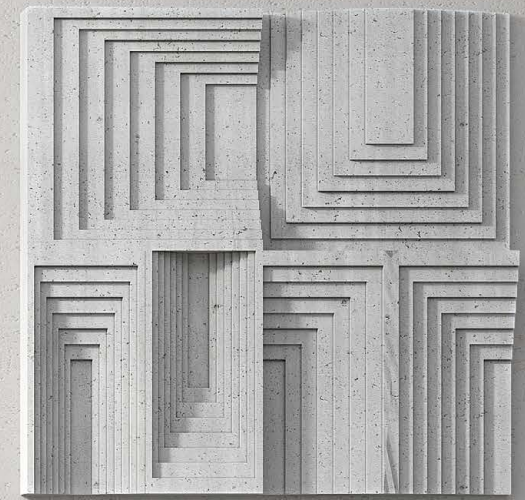

Hero chairs are designed with an enlarged seat with a 58mm adjustable
seat depth which better caters to different body sizes. Relaxed sitting helps
free your mind.

不待落座，思想已经先行

Sit down for gripped imagination

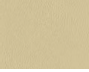

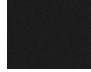

三种配置：主管椅、职员椅、会客椅，
两种款型：轻盈薄款、稳健厚款，
从空间应用的适配性，到人偏好的差异性，
柯伦总是致力于让各种需求得到完美回应。

Two versions differ in back thickness are available for each of executive chairs, staff chairs, and visitor chairs. With comprehensive analysis of space needs and user requirements, each of the Hero chairs knows the right place to go.
